WHITEPAPER

12% FIXED ROI (BUSD)

ATOM MINER

VIRTUAL MINER

BUSD miner and blockchain ecosystem built around staking experience.

atom-miner.com

About Atom Miner

Atom Miner Project is a blockchain based infrastructure including BUSD mining contract that gives users a possibility to stake their BUSD tokens and receive a stable (fixed) ROI (return on investment). Atom Miner is a sophisticated tool that aggregates security and transparency characteristics - It is fully decentralised.

Who We Are

We are an international team of blockchain professionals and enthusiasts who have successfully launched NFT and Token ICO projects before. Experience and high ethical levels guarantees successful development and further growth.

What We Do

We have built Atom Miner and preparing next elements of Atom Ecosystem:

- 'ATOMIN' Token and DEX launch
- NFT Project with Aidrop
- Gaming Platform with TVL support
- PEGAXUS Mining App

Our Mission

We are developing tools and ecosystem for blockchain enthusiasts who wish to gain on crypto staking. We are delivering tools which are gaining trust and bring high satisfaction from from its usage.

Our Vision

Atom teams vision includes further propagation of blockchain technology and gaining new markets not only in Crypto world.

Facts and Plans

As a team of blockchain professionals we have proofed our business plan before implementing contract on the blockchain. Having on mind factors like Maximum TVL growth, Possible Number Of Users, Number and Ammount Of Users Deposits, Users Safety, Word-of-mouth Advertising Potential and Projects Life Longetivity - we have implemented these Miner Economics:

Miner Economics

Daily ROI

12% Fixed

Users will receive 12% from their base deposit. This value is FIXED.

Deposit Tax

8%

Users will be taxed with 8% fee counted from the deposits base.

Withdraw Tax

8%

Users will be taxed with 8% fee counted from withdrawals ammount.

Unstake Tax

50% to TVL

Users are able to do emergency-withdrawal from the contract using Unstake button. User will be taxed with 50% fee - it means **50% of users deposit base will be returned to TVL!**

Max Profit

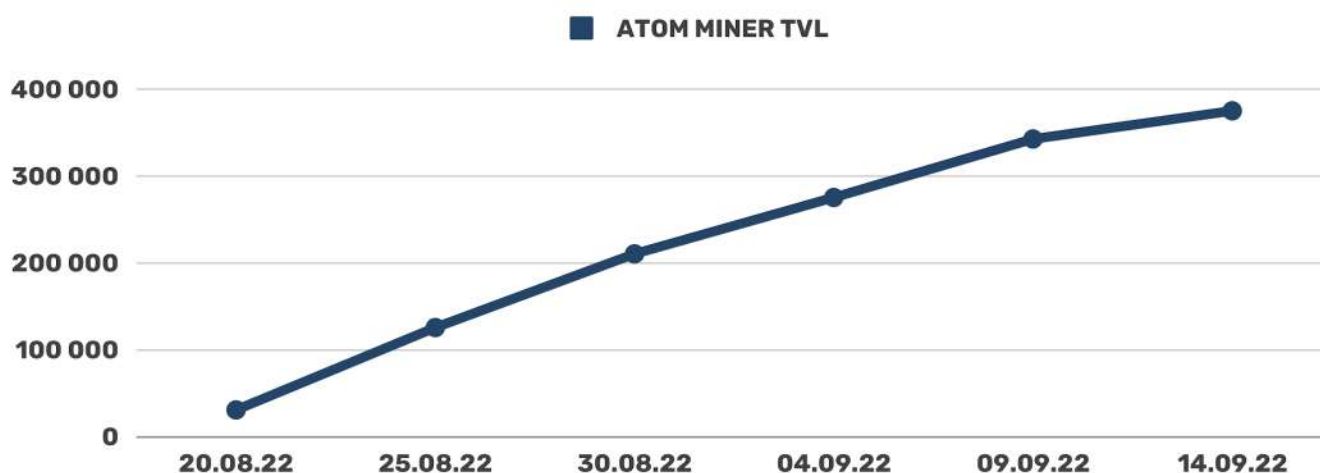

700%

Every unique wallet will be able to return a 7 times of its base deposit. After this point user can use another wallet to redeposit again.

Referral Reward

15%

Our system includes a referral program. Users will be rewarded with 15% of all deposits made by depositors who used their Referral Link.
